++ Valid for broadcast between 1800 and 0600

Headline:
Snow showers across northern Scotland tonight. Cold and frosty elsewhere.

This Evening and Tonight:
Snow showers continuing in the north along with brisk winds through the first half of the night. A frost for most areas, especially southern Scotland where skies will be largely clear.

Wednesday:
Sunny spells and isolated wintry showers, showers mostly dying out in the morning. Cloudier later in the west, preceding rain. Feeling milder with lighter winds than of late.

Outlook for Thursday to Saturday:
More rain overnight and Thursday morning then bright and showery, very strong winds for a time in the north. Colder with wintry showers on Friday and Saturday.
